

# ENDO 2024 Abstract Submission Category List

## **1 Advanced / experimental Mucosal Imaging**

NBI/LCI/BLI/Iscan/TXI  
High resolution imaging  
Magnification endoscopy  
Endomicroscopy /Endocytoscopy  
Chromoendoscopy  
Other methods

## **2 Advanced Procedures**

EMR  
ESD and beyond  
Combined endoscopic-laparoscopic procedures  
Endoscopic techniques for Obesity  
New Methods  
POEM  
Robotics  
TeleMed  
NOTES

## **3 Artificial Intelligence**

Esophagus  
Stomach  
Small intestine  
Colorectum

## **4 Clinical Endoscopy Practice**

General endoscopic therapy  
Dilation of Strictures  
Procedure Documentation  
Foreign Body Removal  
Upper Gastrointestinal and small bowel bleeding  
Lower GI bleeding  
Practice guidelines, technology reports

Percutaneous endoscopic gastrostomy/jejunostomy

Quality of care

Sedation

Training

Biopsies

Complications of Endoscopy

## 5 **Colorectum**

Bowel preparation

Colorectum quality parameters

Colonoscopy

Colorectal cancer

Cancer screening

Polypectomy

Miscellaneous colitis

Hemorrhoids and anal disorders

Indication for CSP/PO/EMR/ESD

## 6 **Endoscopic Ultrasound**

EUS diagnostic, GI tract

EUS diagnostic, pancreatobiliary/gallbladder

EUS diagnostic, others

EUS New technology

EUS-FNA/FNB

EUS Interventional pancreas

EUS Interventional hepatobiliary/gallbladder

EUS interventional vascular & other

Liver: portal hypertension techniques

## 7 **ERCP: Biliary**

ERCP Biliary neoplasia

ERCP Biliary, other

ERCP stones

ERCP strictures, benign

ERCP strictures, malignant

## 8 **ERCP: Pancreas**

ERCP acute pancreatitis

ERCP chronic pancreatitis

ERCP complications and outcomes  
ERCP pancreas divisum and other congenital  
ERCP pancreatic neoplasms  
ERCP Pancreas, other

**9 Esophagus**

Squamous cell carcinoma  
Anti-reflux procedures  
Barrett's esophagus  
Barrets neopasia  
Gastroesophageal reflux disease  
Ablation techniques

**10 Pancreatobiliary**

Biliary tract  
Pancreas  
Standards of practice

**11 Cholangioscopy****12 Pediatric Endoscopy**

Endoscopy: Pediatric

**13 Stomach and Small Intestine**

Esophagogastroduodenoscopy  
Gastric prep  
Stomach and small intestine quality parameters  
Gastroparesis  
Helicobacter pylori  
Other benign diseases  
Gastric neoplasia  
Capsule endoscopy  
Celiac disease  
Deep enteroscopy  
Inflammatory bowel disease
